Come along for lunch and some fun while raising money for Christian Aid! All over Ireland and Britain, people are joining their local Lent Lunches and fuelling themselves to stand together against poverty.

You're warmly invited to join us.

Christian Aid is a Christian organisation with belief in humanity. We work tirelessly as a global movement, united and driven by our Christian values, to create a world where everyone has fullness of life. We believe in life before death. This inspires our commitment to dignity, equality and justice.
